Re: Findings and Recommendations of the Shared Services Steering Committee

On March 5, I presented the "Findings and Recommendations of the Shared Services Steering Committee" to campus. After a thorough review of the report's recommendations, I am providing my full endorsement. I have asked Vice President Kevin Hegarty to carry out that charge in a thoughtful manner that is customized to our campus.

I thank the Shared Services Steering Committee, Vice President Hegarty, the campus leaders who have volunteered to participate in this next critical phase of transformation, and all members of the UT staff for the important work they do every day.
